

Candela—Favorite Laser and Light Manufacturer

Candela was recently voted by American Spa Magazine a winner of the 2008 Professional Choice Award as the "Favorite Laser and Light Manufacturer".

The Professional's Choice Awards has become a standard for recognizing industry excellence. American Spa's readers (over 20,000), made up of top decision-makers at day spas, medical spas, destination and resort spas around the country voted via a write-in web survey on their favorite spas, products, equipment, brands, and professionals.
